The League of Women Voters is a nonpartisan political organization encouraging informed and active participation in government. The goal of the League of Women Voters is to empower citizens to shape better communities worldwide. LWVNC influences public policy through education and advocacy. We never support or oppose any political party or candidate. The League of Women Voters has two separate and distinct roles.

- Voters Service/Citizen Education: we present unbiased nonpartisan information about elections, the voting process, and issues.
- Action/Advocacy: we are also nonpartisan, but, after study, we use our positions to advocate for or against particular policies in the public interest.

Vision, Beliefs, and Intentions: The principles that guide our organization...

The League of Women Voters Education Fund is a nonpartisan public policy educational organization which:

- builds citizen participation in the democratic process
- studies key community issues at all governmental levels in an unbiased manner
- enables people to seek positive solutions to public policy issues through education and conflict management.

We believe in:

We will:

- act with trust, integrity and professionalism
